

DON'T GET CAUGHT WITH THE COST OF UNEXPECTED REPAIRS

With today's advanced technology, vehicle repairs can be costly and are often unpredictable. But with a vehicle protection plan from GWC Warranty, you can rest easy knowing that you're protected against unexpected repair costs the minute you drive off our lot. The cost of even one repair may easily exceed the cost of buying a protection plan.

NATIONWIDE SERVICE FACILITIES

The freedom to travel worry-free with the flexibility to choose any licensed repair facility.

24/7 ROADSIDE ASSISTANCE

In the event of a mechanical breakdown, GWC vehicle protection plans include towing services on all plans, and 24/7 roadside assistance on select plans, including flat tire services, fluid and fuel delivery, lock-out and battery jump-start services.

LABOR & DIAGNOSTICS

Labor and diagnostics performed during a covered repair are included in your plan which helps minimize your out-of-pocket cost in the event of a mechanical breakdown.

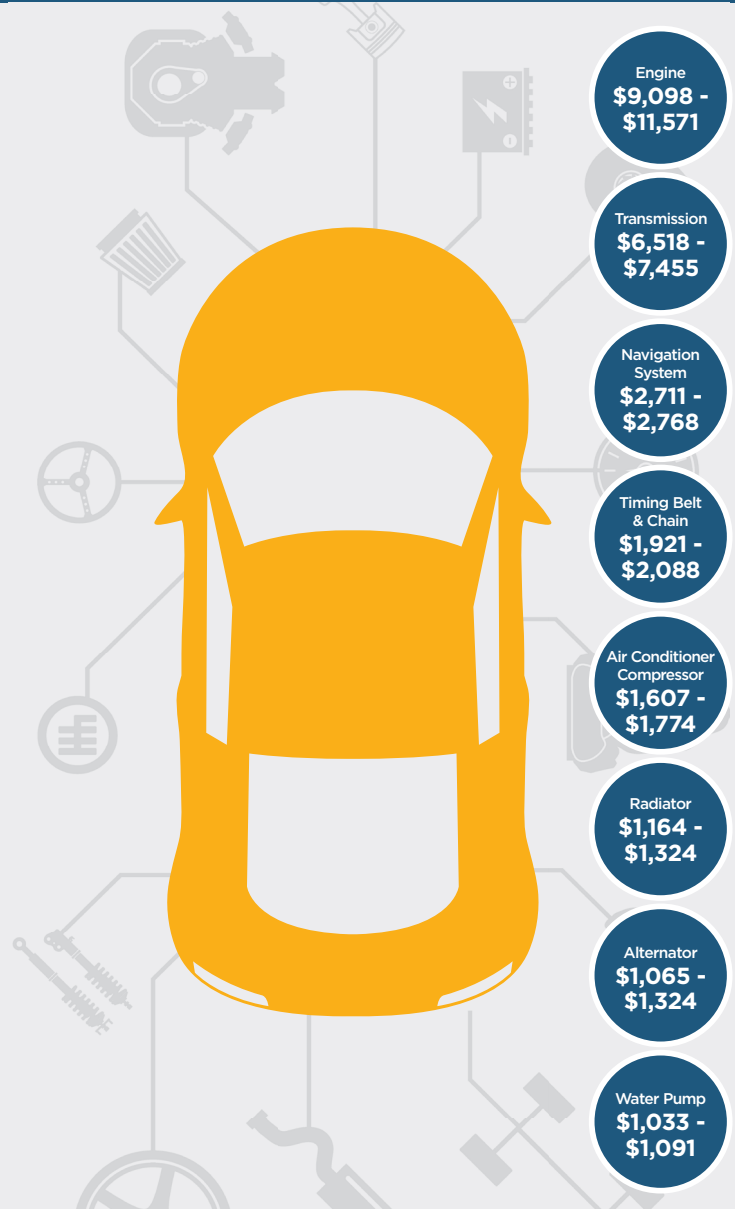

DAY ONE, MILE ONE COVERAGE

With Day One, Mile One coverage, you are protected the minute you drive off the dealer's lot.

EXCEPTIONAL CLAIMS SERVICE

With over \$4.5 billion in claims paid, you can be sure that in the event of an unexpected repair it will be handled, getting you back on the road quickly.

Protect your vehicle against the cost of unexpected repairs. Please talk to your dealership about the benefits of a GWC Vehicle Protection Plan and ask to complete a contract application.

☐

I decline the extra coverage and benefits of a GWC Vehicle Protection Plan.
I understand that I will be responsible for all future repairs on my vehicle not covered by the manufacturer's warranty.
